ELECTROMOTION IV

The beautifully accented amusement table that's really inviting... and profitable!

ELECTROMOTION IV is the internationally known cocktail table that's met great acceptance by leading restaurants and lounges. Its imported copper laminate top fits any decor and irresistibly attracts players, making it a natural profit-maker.

It's fun, easy-to-operate, and rugged!

All units are thoroughly tested before shipment to assure trouble-free operation. The top is completely sealed against spills and lifts up for easy servicing. There's a locking cash box and one-year warranty on components, too!

ELECTROMOTION IV has the looks and the action you want and gives you **CASH PROFITS!** You can almost hear it say . . . "Want to play?"
